

**STUDENT NAME:** \_\_\_\_\_

**MAY 4th GRADE PACKET ASSIGNMENT**  
**JENNINGS RANDOLPH ELEMENTARY**

Please sign and date next to each learning activity completed.  
Only this cover letter needs to be returned!  
\*Students are also asked to complete **1 lesson per day on iReady Reading & Math**  
(\*if they have internet access)

		Parent Signature	Date/Notes
MATH	Complete <u>1 task</u> from the <b>Math</b> column on the <b>MAY: AT HOME LEARNING Choice Board</b> .		
LANGUAGE ARTS	Complete <u>1 task</u> from <b>each</b> of the <b>Reading &amp; Writing</b> columns on the <b>MAY: AT HOME LEARNING Choice Board</b> .		
SOCIAL STUDIES	WV Flag wkst.: Answer the questions & color the flag.		
SCIENCE	<b>CONTINUED:</b> Make a journal of plants/flowers of WV. Take a picture/draw, record its name, where you found it, and the type of environment you found it growing. You could also do this as a digital presentation.		

**LIST OF INTERNET SITES FOR LEARNING & ARTICLES:**

<https://www.symbaloo.com/mix/jenningsrandolphelem>

- Brain Pop
- Think Central (Math) use this to view math textbook and review/study new concepts in math
- Pearson Realize (Reading) use this to read stories from textbook
- iReady
- Typing Lessons (TYPE TASTIC)
- Moby Max
- Go Noodle (physical exercise/movement activities)
- Net Smartz (Internet Safety)

**Accelerated Reader:** Daily reading to achieve AR goal for the nine weeks. Now available for home use.

**PLEASE check LiveGrades & Class DoJo for updates.**

MAY = 4th Grade

## AT-HOME LEARNING CHOICE BOARD

READING	WRITING	MATH
How are you and the main character in the story alike and/or different? <input type="checkbox"/>	Who is your favorite person on the planet? What do you like most about that person? <input type="checkbox"/>	Find a recipe. Figure out how much of each ingredient you would need to double the recipe. <input type="checkbox"/>
What if the story took place 100 years in the future? Would it be different? In which ways? <input type="checkbox"/>	Which is better, winter or summer? Write about the reasons why you think winter or summer is better. <input type="checkbox"/>	Figure out the age of each person in your house and find the average. <input type="checkbox"/>
Compare and contrast this story to another story that you have read this year. How are they alike and/or different? <input type="checkbox"/>	If you had \$1,000, what would you buy and why? <input type="checkbox"/>	How many hours old are you? <input type="checkbox"/>
Why do you think the main character is making the choices that they are making? Do you agree with their choices? <input type="checkbox"/>	Write about a time you felt really happy. What happened? What made you feel happy? <input type="checkbox"/>	Create a map of your home. <input type="checkbox"/>
Summarize what has happened so far in the story. <input type="checkbox"/>	If you were in charge of the whole world, what would you do to make the world a happier place? <input type="checkbox"/>	Write your own story problem and then solve it. <input type="checkbox"/>
Draw a picture that represents the setting of the book that you are currently reading. <input type="checkbox"/>	If you were in charge of planning the school lunch menu, what foods would you serve each day? <input type="checkbox"/>	Pretend you are planning a party and have \$100 to spend. Create a budget for how your money will be spent. <input type="checkbox"/>
What is something that has surprised you so far in the book that you're reading? If nothing has surprised you, what has been something interesting? <input type="checkbox"/>	What are some of your favorite animals? What do you like about them? <input type="checkbox"/>	Write a song or poem that explains how to solve a certain type of math problem. <input type="checkbox"/>
If you could change something about the book that you're currently reading, what would it be? <input type="checkbox"/>	Write a story about flying to outer space and discovering a new planet. <input type="checkbox"/>	Explain how addition and multiplication are related and draw a picture that represents your thinking. <input type="checkbox"/>
Draw a picture of the main characters in the story. <input type="checkbox"/>	Imagine what it might be like to live on a boat and write about it. <input type="checkbox"/>	Create your own math story problem, using your family members as the characters, and solve it. <input type="checkbox"/>
Why do you think the author chose the title they did for the story? <input type="checkbox"/>	If you had one wish, what would it be? <input type="checkbox"/>	Create a set of flash cards for the math skill of your choice. <input type="checkbox"/>

**Directions:** Each day choose one task from each of the columns that you'd like to complete. When finished with the task, place a checkmark in that box.

## KNOW YOUR WEST VIRGINIA FLAG - Social Studies

Fourth Grade

May Packets 31-40

Mrs. Parli

Carefully look over the flag and read the paragraph to help you answer the questions and color the flag.

West Virginia's official flag was adopted in 1929. The flag has a white field surrounded by blue. The state seal is encircled by a garland of the state flower (rhododendron), in the center of the flag. The seal pictures two men (a farmer and a miner) around a rock bearing the date June 20 1863 (the day West Virginia split from Virginia and became a state). Below the men are two rifles and a red liberty cap (a symbol of freedom). A red ribbon below the men has the state motto, "MONTANI SEMPER LIBERI" (meaning Mountaineers Are Always Free" in Latin). A large red ribbon above the seal reads, "STATE OF WEST VIRGINIA."

West Virginia was the 35<sup>th</sup> state in the USA; it became a state in 1863.

1. What type of flower is pictured on this flag?	2. What is the West Virginia motto in English?	3. When did West Virginia become a state?	4. Draw the border around the flag blue.	5. Color the "State of West Virginia Ribbon Red.
