

Dear student and parents,

Please use these pages to practice your speech and language skills while we are not at school. The activities included are easy and fun and should only take a few minutes to complete. I hope you will be able to complete all the included pages. If your child works on speech sounds only do the sheets for "articulation", if work is on language skills only do sheets for "vocabulary & language".

Please complete a practice sheet ____2____ days per week. For extra practice, review the activity for that day multiple times or try the "extra practice " suggestions located at the bottom of the pages.

Please contact me on Dojo if you have questions!
Looking forward to seeing you soon!

Stay Healthy,
Ms. Townsend
